

535. Green For Red

8.26.15 Seattle, WA - Christine
Kendall, Twisp, WA -

“Like trying to build a swimming
pool next to the ocean.”

- Joanne Kyger

Or sending a prayer via
postcard, some green for
all the red you must
be seeing - something cool
for the seething Earth
(for some reason) acting as
Fire as the tarot's Knight
of Coins. Simple magic
from an ordinary mind
w/a penchant for green
which perchance is also
the color of the heart chakra.
